

DIRECTOR OF CLINICAL RESEARCH, DIVISION OF GENERAL INTERNAL MEDICINE (DGIM)

The Penn State College of Medicine, Milton S. Hershey Medical Center is seeking an internist with experience in clinical research to oversee research activities in the division. The DGIM will be hiring 6 new research faculty members over the next two years and would look to this individual to help chart that course. The successful candidate will have board certification, a record of extramural research funding, and scholarly accomplishments that would qualify for the rank of Associate Professor/Professor (tenure track). The position comes with start-up funds and protected time for up to 5 years to conduct research and to hire and mentor other investigators in the division. The director will also maintain active clinical work in either inpatient or ambulatory settings. Salary and academic appointment are commensurate with qualifications. Interested individuals should send a letter of interest and curriculum vitae to Christopher N. Sciamanna, MD, Chief, Division of General Internal Medicine – M.C. HU15, PO Box 850, The Milton S. Hershey Medical Center, Hershey, PA 17033 or cns10@psu.edu. The Pennsylvania State University is an Affirmative Action, Equal Opportunity Employer. Women and minorities are encouraged to apply.
